

PNRR: Fonduri pentru România modernă și reformată!

TRAINING EVENT

Trainer: Alexandru Minea, CS1, Leading Researcher R4, University of Bucharest

Email: alexandru-cristian.minea@icub.unibuc.ro

Difficulty level: Beginner

The course will be held online on the **Zoom platform**.

Date: 20th November 2024

Time: 09.00 – 12.00 and 13.00 – 16.00

Prerequisites: None

Aim of the training

To help participants understand the elements that contribute to quality research and equip them with foundational skills in scientific writing.

Course content

The course will focus on two main areas: (1) Understanding Research as a Phenomenon; (2) Writing Techniques for Quality Research. The course will avoid adopting overly general or normative research frameworks (like those beginning with "should..."). Instead, it will embrace a constructive, experience-based approach, highlighting practical examples drawn from the trainer's 20+ years of research practice.

Skills acquired: The course will allow the participants to understand key aspects of quality research and to acquire essential techniques for writing a high-quality scientific article.

About the trainer

Alexandru minea is a CS1 at ICUB, University of Bucharest. His theoretical and empirical research, which involves the use of theoretical models and empirical modeling, has resulted in publications in international journals and has contributed to economic policy debates.
